## Weddings

### McConnell-Jackson.

The marriage of Miss Eva McConnell to Mr. R. S. Jackson, of Yorkville, Tenn., was quietly solemnized on Saturday evening at the home of the bride's sister, Mrs. W. F. Wheatley, the Rev. James M. McLeskey officiating. The wedding music was rendered by Miss Mabel Ellis, who presided at the piano, and Miss Frances Wheatley, who sang. Following the ceremony a delicious ice course was served to the guests. Mr. and Mrs. Jackson are at home to their friends for the present at 1051 South Somerville street.

## MEETINGS OF MEMPHIS WOMEN'S ORGANIZATIONS

Mrs. Edward Dwyer will entertain the Jolly Eight club Wednesday afternoon in her home, 668 Seventh street. A boat ride and card party will be given on Wednesday evening on the Steamer Princess, for the benefit of St. Peter's orphanage. Mr. Max Weil, after a three months' stay in Europe, has returned to the city. While away Mr. Weil visited France and Germany. Miss Agnes Freutel is numbered among the many Memphis girls who are enjoying their vacations at the Girls' Vacation camp at Hardy Ark.

## Amusements

### Orpheum.

There is a team of wire artists at the Orpheum this part of the week that equals if not exceeds any appearing here on any vaudeville bill in recent seasons. The turn is billed the Roan King Trio. It is an old act, one that has visited Memphis, but the performers are changed. There is a man, Don Valerio who does a quartering act, three split on the wire, a feat which is seldom seen. There is a bunch of pep in Roan King—and she told us Monday night it was miss spelled in caps—that rarely ever is displayed in such an offering. Yet another little lady who is no slouch when it comes to tripping on the airy thread, adds much to the act. Fast as the proverbial lightning expression, these people work and their stunts comprise features such as ordinarily are thought by tight wire artists. They truly head the new Orpheum bill, though not placed so in the lights out front. "Fetters," as the program says, is the topline. When anyone springs that old gag about why not name the city "U. S. A." it's enough said. These minstrel girls do. Sufficient. There is a lady in the lead, Manager Bertram says, as her cousin, but it slips memory, who can sing and does sing in a rather pleasing soprano. The turn is well costumed. There is a lot of jazz about the offering of William Morrow and company. Morrow gets off some fast stuff, monologues that are good. But he has excess baggage. Seymour sings in a second spot. Lewis Seymour, a Trio with dances which are well executed. Everyone remembers "Graustark." George Barry McCutcheon's act, novel. Consequently there is something about "Sherry," the feature picture, that attracts. It is a romantic comedy, enough life to lead and well lighted, as is said in theatrical circles, of value.

### Loew's Lyceum.

It is but rarely that American glimpses stare of the famous Polles Berzons, center of Parisian night life, but Chalfonte sisters who are at Loew's have played the same engagement at the Polles every year since 1910, with the exception of those years of the war, during which practically every Parisian theater was closed. The sisters have just returned from their engagement at the Polles and are carrying four trunks full of costumes which were made by Callot, Laubin and Jeanne especially for their American tour in addition to costumes made by Lucile in New York.

## NEGRO KILLS HERON AND MUST NOW FACE TRIAL

Fred Todus, negro, is named in a criminal bill of information filed in the United States court by District Attorney W. D. Kyser. Todus, 32, is alleged to have killed a heron on an inasmuch as he recently killed a heron. Todus claims that he did not know anything about the treaty and neither did he know that the bird was accustomed to charging his place of abode twice each year.

## Steamship Service Cuts Freight Rates

What Chamber of Commerce officials declared Tuesday would mean a reduction of at least 20 per cent in the freight rates between Memphis and the west coast, is the establishment of a new coastwise steamship service between New Orleans and Los Angeles, and San Francisco, by the Association of Commerce of New Orleans. The New Orleans Association of Commerce has asked the Memphis Chamber of Commerce to take advantage of this new line and another that will be established within the next few days. Henry Huxley, of the Memphis chamber, has written a letter to all exporters in the city informing them of the new arrangement. General information and cutting dates may be had from New Orleans, general manager of the New Orleans Association of Commerce.

## PLAN BIG SCHOOL RALLY IN ALCORN COUNTY

CORINTH, Miss., July 26 (Sp.)—A rally day for the schools of the county is being discussed and has been definitely decided upon for this summer, and Saturday, Aug. 21, is a date that has been suggested.

This suggestion will probably be accepted, and plans arranged to that end. In view of the exceptional attendance of the teachers of this county on the State Teachers' association, about 30 per cent of the enrollment answering to the roll call, the state superintendent will send a special educational speaker to this rally to encourage and to instruct the people and the teachers.

State Superintendent Bond has also expressed himself as expecting to attend this rally should no official duties interfere.

Super Seago, of this county, has asked that the communities give this matter consideration and attempt to get their arrangements in such shape that they can be present en masse. All the teachers of the county, all the trustees

of the district, all the pupils of the schools and as many of the patrons as possibly can are urged to join in this great educational rally.
